One Day Later News!

By the Malay arrived yesterday from San Francisco, we have dates to the 11th last, one day later than those by the Ajax. The news from the United following telegrams.

REHLIN, July 10th, -Military men here, are not exited about Spanish embroglio. War is thought to

be impossible. The Prussian Cross Gazette (Ministerial organ), disapproves of Grammont's declarations in the French Chambers, and says be must know, as every one does, that the King, and the heads of the Confederation, are indifferent to the elevation of Leopold to the Spanish throne. He had no right, in the absence of evidence to charge another power with a disposition to disturb the European equilibrium. Hohenzotlern is a free agent, and may, or may not accept the crown. His decision will not effect

Panis, July 10th .- Five P. M .- The excitement at the Bourse is unaltered. Rentes have declined to 69 france 25 centimes. Negotiations continue, but affects the supply of rain, and, as a matter of course, it is impossible to predict the result. It is rumored to-day, that Hohengollern has settled the whole question by withdrawing his acceptance of Prim's

The Constitutionel, in an extra, contradicts the rucountry either immediately flows away, as in the thority of the King of Prussia, and the latter thus of Prussia is expected to night, or to-morrow. If force, with arms, the rights of France, will immediately be taken. Already the Government is preparing for the emergency.

A telegram from Ems say, Benedille, the French Ambassador, before the interview with King Willlam, saw Baron Werther, Prussian Ambassador, at Paris, who came to Ems to consult with the King. The Baron said the Government of Prussia is profoundly surprised at the attitude of France; It could not comprehend this haste to assume hostillity except as verification of a belief that France had for a long time desired a war on the Rhine.

A Vienna despatch says the Austrian Minister of Foreign Affairs, received with coldness a communi cution from Spain relative to the candidature of Leopold, and in reply to the Spanish Ambassador dwelt upon the ill effect it could not but produce.
